**No. 10**

With reference to the Chulabhorn Graduate Institute (CGI) Announcement on Guidance for the Prevention and Control of the Spread of COVID-19 No. 9, dated 13 January 2021, in compliance with the regulations of the Centre for the Administration of the Situation due to the Outbreak of the Communicable Disease Coronavirus 2019 (COVID-19), the announcement of the Ministry of Higher Education, Science, Research and Innovation, together with the CGI Announcement on the Conduct of the CGI Staff and Students for the Prevention of the Spread of COVID-19 No. 5, and for the purpose of minimizing the impacts of the pandemic on CGI's program delivery and administration, it is deemed expedient to issue measures for the prevention and control of the COVID-19 pandemic, as follows:

1. From 27 January 2021 the normal program delivery at the Institute will be resumed, while its staff will also resume their normal functions at the Institute.

2. Faculty members, staff and students must take care of themselves to avoid infection with COVID-19. For this purpose, they must be subject to temperature screening every time they enter the Institute, frequently wash their hands with alcohol-based sanitizer, wear face masks all the time, abstain from staying close to one another, and maintain social distancing.

Those who suspect that they might have been infected with the disease, or are at high risk, or have been in contact with people at high risk for infection must immediately inform their superior of their situation before reporting to the Rector for further action.

This announcement comes into effect henceforth, and further announcement will be made in case of any change in the situation.

Issued on 26 January 2021
